

BIG CIRCUS SHOWS HERE ON AUGUST 31

Barnum & Bailey Enterprise,
Parade and All, to Appear
in Salt Lake.

The Barnum & Bailey "Greatest Show on Earth" will visit Salt Lake City on August 31. There will be a parade.

For fifty-five years this circus has been the leader among all amusement affairs. It is the pioneer of big undertakings. With very few exceptions great events originate in Europe. They are invariably introduced in America by Barnum & Bailey, who maintain agencies in every large city in Europe and Asia for the purpose of keeping in touch with the latest achievements.

The Barnum & Bailey management has either originated all great attractions or has searched them out from distant lands. Other shows have copied, but with indifferent success. This circus has the advantage of a prestige and strong clientele in every land on earth. It has 700 offices in London, Liverpool, Melbourne, Paris, Berlin, St. Petersburg, Vienna, Hamburg, Constantinople, Calcutta, Hongkong, Cape Town and Buenos Ayres. Its agents are always looking for novelties. P. T. Barnum was the founder. He was the father of the modern circus. His brain made a big circus possible. His successor, James A. Bailey, was a second Barnum. He perpetuated the Barnum policy. He was the only man on earth who could. For many years these two great names have been listed by the children. They still live in the memory of men old and gray.

Today the circus has reached a size that is giving the railroads much concern. If it were any larger they could not handle it. It has five long trains. It enrolls 1500 people, 1250 of whom travel directly with the show. It has 700 horses. In its menagerie are forty elephants and 1200 other animals. All of the equipment throughout the many departments of the circus is new. It cost its owners \$3,500,000. The parade alone cost \$1,000,000. The menagerie is worth another like sum. The best artists of Italy and France designed the new show. It was built by the most skillful of European artists and master mechanics in the workshops of the circus at Stoke-on-Trent, England.

The programme is opened with the great spectacle of "Cleopatra," with a cast of 1200 characters, a grand opera chorus of 300 voices, a ballet of 550 dancing girls, an orchestra of 100 soloists, 850 horses, herds of elephants, a caravan of camels and a trainload of special scenery, costumes and electrical devices for creating such stage effects as lightning, thunder, moonlight, sunrise, and storms on the desert, volcanoes in action, earthquakes and falling temples. The spectacle is enacted on the largest stage in the world.

Married for Fifty Years Celebrate Anniversary

MR. AND MRS. M. B. LICHTENSTEIN.

Mr. and Mrs. M. B. Lichtenstein and Children Join in Festive Ceremony.

Mr. and Mrs. M. B. Lichtenstein, for twenty-two years residents of Salt Lake, but now making their home in San Francisco, yesterday celebrated their golden wedding anniversary with a reception and dinner and dance at the Palace hotel. With them were all their sons and daughters, Mrs. M. Sumnerfield, Mrs. M. H. Harris, Mrs. L. E. Boukowsky, Ben, Harry, Mrs. Samuel and Nat Lichtenstein, and their grandchildren, Howard, Mildred, and Jack Lichtenstein, and Myra Boukowsky.

Their Salt Lake friends, who are

many, have already forwarded them congratulatory telegrams on the happy event and many friends from here who are in San Francisco were guests at the celebration today.

Mr. and Mrs. Lichtenstein were born in Schneidemuhl, Germany, in 1841, being the same age. They went to school together in Germany, but it was not till after a residence of six years in this country on the part of Mr. Lichtenstein that they were married in 1862 in San Francisco, whither he had come by the Panama route. Mr. Lichtenstein was one of the Virginia City pioneers, reaching that place in 1860. Mrs. Lichtenstein also came to America by the Panama route, landing in San Francisco in 1861.

In the Golden Gate city where they are now spending their declining years, Mr. and Mrs. Lichtenstein reared a family of eight children, all of whom were with them yesterday. In 1890 they moved to Salt Lake and for twenty-two years this was their home.

The weekly report of the board of health shows the births of the week to have been double the deaths. There were 48 births reported during the week, 19 males and 29 females. A total of 28 deaths was reported, 13 males and 15 females.

The report of contagious and infectious diseases, 17 in all, is a trifle more than one-third of the number reported in the same week of last year, when reports were received on 43 cases. During the past week the cases consisted of 8 simple diphtheria and 8 typhoid fever.
